

encroaching on the path.

The grass at the rear of the Church was long. Check the Contract for cutting periods. **Clerk**

7. Footpaths & Rights of Way: Nothing to report.

8. Fryerning Cemetery

Mr Gaymer had agreed to remove the heap of soil and spray the thistles. This had not yet be done. It was agreed to check the correspondence with regard to this and the thistles. Cllr. Tench said that the edges along the path by the hedge in the new extension needed spraying with weed killer. **Clerk**

Cllr. Tench will check the grass in the new extension and inform the office. **JT**

The Rhododendrons have some dead branches and an Azalea has died.

It was agreed to write to the resident who had replaced the dead roses along the path by the church. **Office**

9. Allotments

Cllr Baggott enquired if the water catchment equipment at the Roman Road Allotments had been completed. Cllr Boyce confirmed it was completed but was not certain if the containers had any water in them.

10. Environmental Matters

2 volunteers had put their names forward for bulb planting.

Members were to check the website of the bulb suppliers with regard to blooming times and heights and to enable a long flowering period **Committee**

11. Date & Time of Next Meeting: Monday 12th July 2010 at 7pm - Site Visit to Fryerning Cemetery followed by a meeting at the Church.
