holidays, opening times may differ.

## LETTER FROM THE CHAIR

There was no need for an election to the Parish Council on May 4th. The council has room for 15 members, and this year 12 residents were duly nominated, and therefore they were automatically elected. This means, of course, that there are three vacancies and we will begin the process of co-opting those additional members in the coming weeks. More details regarding this can be found elsewhere in this newsletter.

I was delighted and honoured to be re-elected as Chair of the Parish Council at its Annual Meeting in May. There is much work to be undertaken on existing projects but it is also vitally important that we learn from residents their priorities and opinions of how the villages of Ingatestone and Fryerning should develop over the next four years.

To this end, in the centre pages of this edition, you will find a questionnaire. I would encourage you to complete and return it. If your household has more than one person living within it, and another person would like to express their views, the survey will also be available online via our website.

Having adopted our Neighbourhood Plan in 2022, we are beginning the task of ensuring that it is implemented. The committee are focusing on certain priority areas including safer routes for pedestrians and cyclists through the parish.

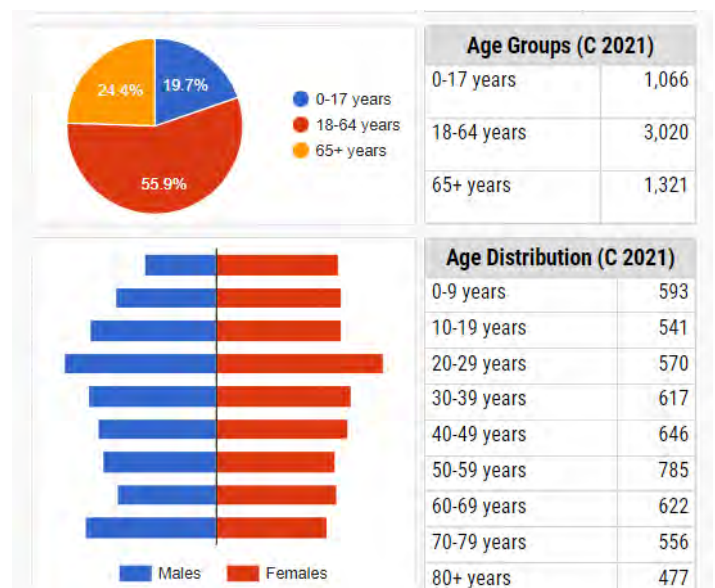

In the last newsletter I highlighted the issues we face with Seymour Field, but since then we had the wonderful news that the Football Foundation has awarded us a grant totalling £34,000 spread over 6 years for us to start a programme of pitch improvements.

Finally, thank you for the positive feedback that we received about the last newsletter and monthly e-newsletter. Hope you all have a great summer.

### Did You Know?

According to the 2021 Census, the highest population growth has been recorded in the East of England (8.3% increase since 2011).

In Ingatestone and Fryerning, population has slightly increased since 2011, particularly in the 65+ age group. The percentage of residents over 65 has now reached 24.4%, which is almost 6% higher than the national average of 18.6%!

### Speed Watch Coming to Ingatestone, Fryerning and Mountnessing

In response to many appeals from residents to tackle speeding through the villages, a Community Speed Watch group is being established.

**What is CSW?** The Community Speed Watch initiative allows members of the community to address speeding issues by becoming actively involved in road safety, using speed detection equipment to monitor speeds from safe locations.

Whilst all of the road safety partners are working together to achieve casualty reduction targets and reduce the number of people killed and seriously injured on our roads we cannot expect police officers to carry out enforcement checks in every community on a regular basis. This is where Community Speed Watch can help by working with the partnership.

The partnership aim is NOT to catch as many speeding drivers as possible but to raise awareness that excessive speeds are socially unacceptable. We aim to reduce speed in areas of concern and address issues from communities by raising awareness,

Every CSW location for monitoring will have been chosen by the Community. Each site will then be risk assessed, which will include the safe positioning for the signs used during monitoring.

The data collected by the CSW informs the partners in the Safer Essex Roads Partnership who contact offenders and decide on other measures to improve safety.

Locally we called for volunteers to start a group, and some residents have stepped forward and undergone the training. A minimum of three people will go out at any one time on an agreed programme of monitoring. Any time you can give is valuable.

If you are interested in volunteering, please contact the IFPC office.

**MAKE A CHANGE**  
BECOME A COUNCILLOR

### Parish Council Vacancy

IFPC are pleased to announce there are currently 3 vacancies for parish councillors. We are looking for residents with a particular interest in **planning**.

If you are interested and would like to fill a form or find out more about this opportunity, please call 01277 676759 or email [clerk@ingatestone-fryerningpc.gov.uk](mailto:clerk@ingatestone-fryerningpc.gov.uk).

## Climate Emergency Working Group

The re-wilding of the closed churchyard at St Edmund and St Mary's is nearing completion.

Funding from the Brentwood Community Fund and the Parish Council has brought together local residents and young people to provide a space for teenage girls and for people living with dementia in particular to meet. The Anglo European School Gardening Club drew up the plan and the Primary School has worked with it to produce bug hotels, bat and bird boxes to be installed before the **official opening on 15th June**.

Already the large hexagonal table, with wheelchair/pushchair access is in daily use with people chatting and eating their lunch or drinking a coffee from the High Street, and there is a large bench in an area that catches the sun for contemplation. A further bench with arms and height suitable for people who are not so agile is on order.

## Economic Development Working Group: Gigabit Broadband Update

The EDWG have been working with Digital Essex and government agency Building Digital UK (BDUK) to encourage the roll out of gigabit broadband in our parish.

Most homes already have so-called superfast broadband which is fast enough for viewing Ultra High Definition programmes on iPlayer, internet shopping, downloading films etc. It's delivered by an optical fibre to a cabinet in the street, then a copper wire to your home. That's OK for many people at the moment, but those in multi-user households or working from home increasingly find it too slow. And it won't be sufficient for many services in the future.

The solution is so called gigabit broadband, also called ultrafast or full fibre broadband. A gigabit per second is 1000 Mb/s so well over ten times the speed you have now. That is usually achieved by replacing the copper wire to your home with an optical fibre.

Around 70% of homes in Essex already have access to gigabit broadband, but less than 10% do in Ingatestone & Fryerning!

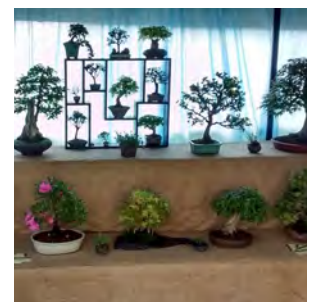

The Government have a programme, "Project Gigabit" run by BDUK, to subsidise gigabit broadband connection to those properties that are unattractive to infrastructure/service providers on a purely commercial basis. Initially our parish wasn't included, but following EDWG lobbying, is now "under review". Watch this space for updates - the wheels of government grind slowly so we're not expecting a decision until 2024.

# Summer Show Is Approaching! 15 July, Seymour Field, 12.30 - 5 pm

IFPC have been busy organising this year's Summer Show. Get ready for the day filled with fun, music and entertainment! Horticultural show, Britannia pipe band, alpacas, dog show parade, funfair rides, art studio, races and tombola, welly wagging... And, of course, BBQ, tea & cakes, sandwiches, bar, specialty coffee, and lots of local makers presenting gorgeous handmade jewellery, clothes, skincare, dog treats and much more! Many local charities, clubs and organisations will also be present.

Come along and bring your family and friends - it is going to be a day to remember!

## Dog Show

**MOST HANDSOME DOG**

**PRETTIEST BITCH**

**WAGGIEST TAIL**

**CUTEST PUPPY**

**BEST VETERAN**

**BEST CHILD HANDLER**

**SPECIAL ROSETTE FOR THE DOG THAT THE JUDGES WOULD MOST LIKE TO TAKE HOME!**

**REGISTER YOUR DOG ON ARRIVAL BY 1:30 PM**

**ENTRY:**  
**£1 PER CLASS**

**We are still taking last-minute pitch bookings - get in touch if you would like to promote your services, sell goods or organise an activity!**

# RESIDENT QUESTIONNAIRE

Answering these questions will help us establish the needs of Ingatestone and Fryerning as a community, so we know what you want us to support and work towards in the future.

Please fill this document and return it to our office at **Suite 2, 4 the Limes by 27 June**. You can also fill it online – follow the link on our front page [www.ingatestone-fryerningpc.gov.uk](http://www.ingatestone-fryerningpc.gov.uk) or scan the QR-code:

**Personal information**

Postcode of residence: .....

How many people are you filling this form for?

- ☐ 1    ☐ 2-3    ☐ other (please specify):

Please provide their age(s):

If other people from your household would also like to fill in the form, they can do it online (see the link on our website or scan the QR-code above) or contact the office for a copy.

Do you work from home?

- ☐ Yes    ☐ No    ☐ Sometimes

If so, how many days?

- ☐ 1-2    ☐ 3-4    ☐ Every day

**1. Housing**

Brentwood Borough Council, as the Local Planning Authority, is required to have a Local Development Plan – a key component is to formulate plans to build approximately 456 dwellings a year across the Borough. This figure is arrived at using population and household projections.

- Planning permission was granted in 2021-22 for CALA Homes to construct 57 dwellings on what was green belt land next to the A12, starting in 2023.
- The Redrow development of 110 dwellings on the former Ingatestone Garden Centre is under construction.
- Planning permission has been granted for Hallmark Care to build a 70-bed care home, offices and a training centre near these two housing developments.
- The Parish Council produced a Neighbourhood Plan in 2022 which must be taken into account when Brentwood planners agree further developments enabling us to consult with the community and influence the design of any scheme, including the types and mix of affordable housing.
- In the future, it is likely that Brentwood will be identifying further suitable sites for more development, around Ingatestone, and we need to have your views on this.

Would you support further homes being built?

- ☐ Yes    ☐ No    ☐ I’m not sure

If further homes were to be built, what type of housing would you prefer?

- ☐ Flats    ☐ Houses    ☐ Social Housing    ☐ Bungalows
- ☐ Other (please specify): .....

2. Transport and Roads

Although roads are the responsibility of Essex County Council, residents regularly raise issues such as pot holes and blocked drains with the parish council. We are keen to get residents views on roads & pavements. Previous surveys highlighted concerns regarding the speed of traffic, so the 20mph zone has been created. We want to encourage walking and cycling, and some of the questions will help us in developing safer routes through the parish.

Do you use the 351 bus service? If so, how often?

☐ Daily   ☐ Weekly   ☐ Monthly   ☐ I don't use it

If not, why?

.....

Would you benefit from an improved bus service?

☐ Yes, I'd like it to be more frequent  
☐ Yes, I'd like it to run later in the evening  
☐ No, I'm fine as it is

Are there any locations not served by public transport that you find essential? If so, please name them:

.....

Would you benefit from a local mini-bus service?

☐ Yes   ☐ No

If so, which locations would be a priority?

.....

How often do you travel by train?

☐ Daily   ☐ Weekly   ☐ Monthly   ☐ Never

Which is your most frequent destination?

.....

Would you support a Brentwood borough-led service for potholes and minor repair, as opposed to the current arrangement?

☐ Yes   ☐ No   ☐ I don't know

Does anyone in your household own a bicycle or an electric bike?

☐ Bicycle   ☐ Electric   ☐ None

If you own a bicycle or an electric bike, how regularly do you use it?

☐ Daily   ☐ Weekly   ☐ Monthly   ☐ I don't use it

If you have children, do they regularly cycle to school and/or ride locally?

☐ Yes, often   ☐ Yes, sometimes   ☐ Very rarely   ☐ Never

What would encourage you to travel by bicycle more often?

☐ Secure parking   ☐ Cycle lanes   ☐ Other (please specify):

Do you walk regularly around the parish

☐ Almost every day   ☐ Only on weekends   ☐ Occasionally   ☐ Almost never

What would encourage you to walk more?

.....

3. Recreation and Green Space

The parish has limited recreational land. Seymour Field & Pavilion are leased by the Parish Council from Brentwood Council. We initiated major improvements to the pavilion and are about to start substantial pitch improvements. Fairfield Recreation Ground and the Stock Lane Allotment site are leased by the Parish Council from the Lord Petre estate. Ingatestone & Fryerning Cricket Club have a license enabling them to be primary users of Fairfield between April and September. The Parish has many footpaths, bridleways and public open space enabling residents to enjoy the countryside. Brentwood is responsible for amenity greens.

Do you (or other members of your household) use any of the local public spaces?

- ☐ Fairfield    ☐ Seymour Field    ☐ Mill Green Common

If yes, how often?

- ☐ Every day    ☐ Weekly    ☐ Rarely    ☐ Never

If yes, for what purpose do you use them?

- ☐ To walk the dog    ☐ To visit the playground    ☐ To play/watch football    ☐ To play/watch cricket
- ☐ To enjoy the countryside
- ☐ For other activity (please specify): .....

Do you (or other members of your household) belong to any local sports or leisure clubs?

- ☐ Yes (please specify):.....
- ☐ No

Are there any recreational activities not provided that you would like to have in the village? If so, please name them:

.....

4. Our local environment

Ingatestone has both the advantages and disadvantages of a historic village. It also has ready access to the countryside and a regular rail service to London and most of East Anglia. However the flow of traffic including large commercial vehicles both on the A12 and High Street reduces air quality. Narrow pavements in sections of the village bring vehicles and pedestrians into close proximity. Many people are now working from home, so internet provision is of increased importance.

For the past 4 years, IFPC have had working groups addressing climate emergency issues and health and wellbeing of residents.

Should we continue promoting measures that would address any of all of the following (please mark all suitable options):

- ☐ Tackling air pollution    ☐ Reducing carbon footprint
- ☐ Cost of living crisis    ☐ Physical and mental health
- ☐ Other issues (please specify):.....

If so, would you benefit from additional events / exhibitions focused on these issues?

- ☐ Yes    ☐ No

Do you have any suggestions as to how we could help you make your home more energy efficient?

.....

Would you support the provision of a green burial site at Fryerning Cemetery?

☐ Yes   ☐ No   ☐ I don't know

Please let us know if you are satisfied with the existing

Broadband coverage: ☐ Yes   ☐ No

Mobile coverage:     ☐ Yes   ☐ No

Are you satisfied with the broadband speed?

☐ Yes   ☐ No

---

5.    Future of Our High Street

One reason why many residents say they like living in Ingatestone & Fryerning is the independent shops along the High Street. There are some 61 retail premises but the current economic situation means that it isn't easy to make a living from small shops and a number have been closed for quite some time. The Parish Council isn't responsible for shop rents or rates but we could help in other ways and this part of the questionnaire seeks to find what you think about our High Street and whether we should be supporting it and if so how.

Do you use shops on the High Street? If so, how often?

☐ Daily    ☐ Weekly    ☐ Monthly    ☐ Never

If you don't, why so?

.....

If you do shop in the village – what type of shops do you use most regularly?

☐ Supermarkets    ☐ Restaurant and cafes    ☐ Pubs and bars

☐ Post office    ☐ Hairdressers and barbers    ☐ Florists    ☐ Clothes shops

☐ Other (please specify):.....

What other shops would you like to see and support in the village?

.....

Would you like IFPC to promote the High Street with any events or activities? If so, how?

.....

Is there anything not covered in this questionnaire that you think should be addressed or that you would like to add?

.....

---

Please note that any data you provide will only be used for the purposes of the survey, will not be sold on and will be held by the IFPC in line with GDP regulations.

For more information and out policy on how your date will be used, please visit the privacy statement at [www.ingatestone-fryerningpc.gov.uk/privacy](http://www.ingatestone-fryerningpc.gov.uk/privacy)

If you wish to be contacted, please leave your telephone number or email address:

.....

## Cricket Club Achievements

We would like to congratulate Ingatestone & Fryerning Cricket Club on being chosen by Essex County Cricket Club to host girls' cricket matches & tournaments on Fairfield during this summer. IFPC strongly supports the growth of interest in girls' and women's sport in the parish.

We would also like to congratulate the Cricket Club on having been awarded ECB Clubmark accreditation. It's an accreditation scheme for cricket clubs that shows a club is sustainable, well run and provides the right environment for its members. It means the club has been recognised as a safe, rewarding and fulfilling place for participants of all ages, as well as assuring parents and carers that they are choosing the right option for their young people.

## Congratulations to Stones Athletics on Their New Kit

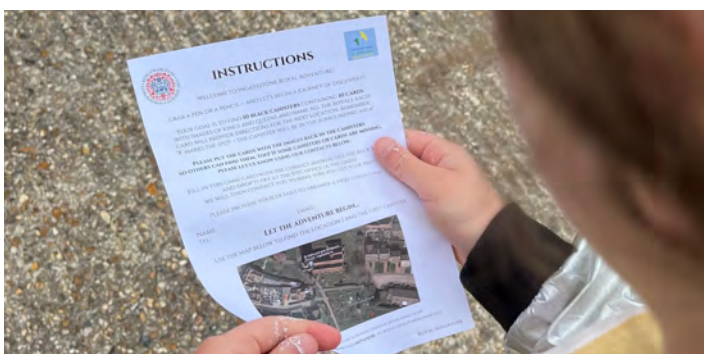

Earlier this year, IFPC was pleased to approve the grant for the new kit for some of the local football clubs, the Stones Athletic u10s.

We hope the boys enjoy many more great games in their new kits!

## Royal Adventure Game

In May, the country celebrated the King's Coronation. To entertain our young residents and help them learn a few facts about English kings and queens, IFPC organised a fun treasure hunt called Royal Adventure Game. Many children enjoyed looking for locations and researching royal facts, and we were pleased to award prizes to those who completed the game. Now it's time to start thinking about our next game!

## IFPC Celebrate Grass Pitch Funding Success

The Parish Council has long recognised that the main full-size adult football pitch has been overplayed as have some of the youth pitches at Seymour Field. After discussions with Essex County Football Association, we were encouraged to undertake a pitch analysis that involved looking at aspects such as grass coverage, root strength and sub soil structure. The end result was that the Football Foundation have offered to assist the Parish Council by offering substantial grant aid to improve the pitches on the field.

IFPC was awarded a grant of £34,134 from the Premier League, The FA and Government's Football Foundation, for the improvement of the football pitches on Seymour Field.

The Football Foundation is the UK's largest sports charity and exists to improve the experience of playing football for everyone, by championing fair access to quality facilities. The investment was provided following the completion of a pitch inspection using PitchPower – the Football Foundation's specially developed web app used for assessing the quality of grass football pitches. IFPC will now be able to use the grant to complete the maintenance work identified in our PitchPower Assessment Report, which includes applying fertiliser, aeration, seeding and other maintenance practices.

These grants are key to the Foundation's aim to deliver 20,000 'good' quality grass pitches by 2030. Alongside PitchPower, the Football Foundation has also created an online Groundskeeping Community to provide expert support and advice to clubs. Anyone in Essex can find out more and sign up at **[footballfoundation.org.uk/grass-pitch-improvement](https://footballfoundation.org.uk/grass-pitch-improvement)**

Robert Sullivan, Chief Executive of the Football Foundation, said: "This Grass Pitch Maintenance Fund grant award to IFPC is vital for the local community in Ingatestone. Together, with our Funding Partners – The Premier League, The FA and Government – we're on a mission to transform the quality of grass pitches in England. Our Grass Pitch Maintenance Fund is vital to support clubs across the country, helping them enhance and sustain their pitches to improve access to good quality facilities for grassroots players."

The Grass Pitch Maintenance Fund provides eligible clubs and leagues with a tapered six-year grant to help them sustain pitches already at a 'good' level or higher and enhance pitches that are either considered 'poor' or 'basic'.

The grant is tapered with the majority of funding coming in the first two years; the assumption being that as the quality of pitches improves, less work will need to be undertaken.

As a result of this investment, the Parish Council will approach Brentwood Council with the intention of securing an extension of the lease which at present has just over 20 years to run.

# Brentwood Art Trail Comes to Ingatestone

The Brentwood Art Trail, covering Brentwood, Shenfield and Ingatestone, has begun and will run until 25th June. Don't miss the opportunity to see artwork in pop-up galleries, and take part in lots of creative activities!

This year, you will be able to see a record number of venues and more artists than ever before.

In Ingatestone, you can see artwork at:

Ingatestone Library  
Beresfords  
Paper Station  
Patrick Green  
La Pomme  
Floral Occasions  
Gallivant Travel  
Michael's  
Oaktree Gallery  
Abigail's Lifestyle

Support local artists (including the Ingatestone Meet & Paint Group!) and your High Street businesses by taking part – and don't miss the Ingatestone Guided Tour that will take place on **10th June from 10.30am**.

You can book both these events (and all our others, which are listed below) via [brentwoodarttrail.eventbrite.com](https://brentwoodarttrail.eventbrite.com)

## BRENTWOOD ART TRAIL

 **3 - 25 June 2023**

Enjoy the work of local artists in pop-up galleries and attend creative activities in a wide variety of venues in Brentwood, Shenfield & Ingatestone

*Guided Tours*

*Creative Workshops*

*Walk, Talk & Create*

**FRIDAY 9 JUNE**  
10am - Walk, Talk & Create at Weald Country Park with Irene Malvezi \*

**SATURDAY 10 JUNE**  
10am - Worldwide Knit in Public Day with Brentwood Belles WI at Brentwood Theatre  
10.30am - Guided Tour (Ingatestone) \*  
1pm - Introduction to Linocut Workshop with Wee Bothy Art at La Pomme \*

**SUNDAY 11 JUNE (5pm) & MONDAY 12 JUNE (12.30pm)**  
Artful Baking with Aljona Rumme & James Hillery at Malina Patisserie \*

**TUESDAY 13 JUNE**  
10.30am - Walk, Talk & Create at Weald Country Park with Jon Bird \*

### Brentwood Borough Councillors

Darryl Sankey – [darryl.sankey@brentwood.gov.uk](mailto:darryl.sankey@brentwood.gov.uk)

Hugh Gorton – [hugh.gorton@brentwood.gov.uk](mailto:hugh.gorton@brentwood.gov.uk)

Lesley Wagland – [cllr.lesley.wagland@essex.gov.uk](mailto:cllr.lesley.wagland@essex.gov.uk)

All Parish Council meetings are open to the press and public. All agendas are posted on our website [www.ingatestone-fryerningpc.gov.uk](http://www.ingatestone-fryerningpc.gov.uk) and on the noticeboards three clear days before the meeting. Minutes of all meetings are available on the Parish Council website, Ingatestone Library and from the Parish Council office.

Members of the public are entitled and welcome to join in our meetings to ask questions or raise concerns. You can also participate remotely via Zoom – let us know in advance so we can set it up and send you the link to join the meeting.

Meetings can be subject to change and it is advisable to check the noticeboard and website in advance of the meeting for up to date agendas and information.

Don't forget to **sign up for our monthly E-newsletter** to keep track of our projects and village activities! You can do it by filling a short form on the front page of our website or by using the QR-code below:
