

# Consultation Feedback Form

June-August 2023

## Overview

National Grid Electricity Transmission is consulting on proposals to upgrade the transmission network between the existing substations at Norwich Main in Norfolk, Bramford in Suffolk and Tilbury in Essex, as well as development of a new substation on the Tendring Peninsula that will connect offshore wind generation.

Norwich to Tilbury will support the UK's net zero target by reinforcing the electricity transmission network in East Anglia and facilitating the connection of planned offshore wind generation and interconnectors with other countries, allowing more energy from renewable and low carbon sources to be carried on the network.

**Norwich to Tilbury was formerly known as East Anglia Green Energy Enablement (GREEN).**

We've changed the name to make it clear that this project is part of The Great Grid Upgrade, the largest overhaul of the grid in generations.

## Your feedback

We are seeking your views on our preferred draft alignment and our work to date. Knowing what matters to you matters to us. Your feedback is important to help us as we develop our proposals in more detail. This non-statutory consultation is open between **Tuesday 27 June and Monday 21 August 2023**.

You can provide feedback by completing this feedback form, or by completing the form online.

We have published a set of documents that will provide you with information on Norwich to Tilbury:

- Community Newsletter June 2023
- Project Background Document 2023
- Design Development Report 2023
- 2022 Non-statutory Consultation Feedback Report
- Maps of our proposals 2023.

These documents, and an online version of this feedback form, are available on our website [nationalgrid.com/norwich-to-tilbury](https://nationalgrid.com/norwich-to-tilbury).

If you wish to receive paper copies of these documents or need them in another format, please get in touch by freephone on **0800 151 0992** or by email at [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) (please note print charges may apply).

Please submit your response by **11.59pm Monday 21 August 2023**. Responses received after this date may not be considered as part of this consultation.

To return this feedback form free of charge, please address your envelope to **Freepost N TO T** (no stamp or further address details are required).

## Data privacy notice

National Grid is committed to protecting your personal information. Whenever you provide such information, we are legally obliged to use it in line with all applicable laws concerning the protection of personal data, including the UK General Data Protection Regulation (GDPR).

### How will National Grid use the information we collect about you?

We will use your personal data collected via this consultation for a number of purposes, including:

- to analyse your feedback to the consultation
- to produce a Feedback Report, based on our analysis of responses (individuals will not be identified in the Report)
- to write to you with updates about the results of the consultation and other developments
- to keep up-to-date records of our communications
- with individuals and organisations.

Any personal information you include in this form will be handled and used by (or made available to) the following recipients to record, analyse and report on the feedback we receive:

- National Grid
- the Planning Inspectorate (which will consider our application for consent to build the Norwich to Tilbury reinforcement – any details published as part of this process will be anonymised)
- the Secretary of State (who will take the decision on our application)
- our legal advisers
- consultants working on Norwich to Tilbury.

### What rights do I have over my personal data?

Under the terms of the UK GDPR you have certain rights over how your personal data is retained and used by National Grid. For more information, see our full data privacy statement:

[www.nationalgrid.com/privacy-policy](http://www.nationalgrid.com/privacy-policy).

## Contact us

Email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com)

Phone: **0800 151 0992**

(open Monday to Friday 9:00am–5:30pm)

Website: [nationalgrid.com/norwich-to-tilbury](http://nationalgrid.com/norwich-to-tilbury)

## How to provide feedback

Post: send your completed feedback form to **FREEPOST N TO T**

(no stamp or further address needed)

Website: [nationalgrid.com/norwich-to-tilbury](http://nationalgrid.com/norwich-to-tilbury)

(online version of feedback form)
