Ingatestone and Fryerning Parish Council Document Retention Policy

This policy was reviewed and approved by Full Council in April 2024

Prime objectives

Ingatestone and Fryerning Parish Council (IFPC) recognises that the efficient management of its records is necessary to comply with legal and regulatory obligations and to allow for its effective management. This policy has been created to detail how the records maintained by the parish council are kept and when they should be destroyed.

Scope of the policy

This policy applies to all records, in all formats that are created, received or maintained by the parish council. A small percentage of the parish council's records will be selected for permanent preservation as part of the council's archives and for historical research.

Responsibilities

IFPC have a corporate responsibility to maintain its records in line with regulatory requirements. The person with overall responsibility for this maintenance is the Parish Clerk with assistance from other members of staff.

Relationship with existing policies

This policy should be read in conjunction with the parish council's

- Freedom of Information policy
- General data protection regulation policies (GDPR May 2018)

Retention schedule

Under the Freedom of Information Act 2000, the parish council is required to maintain a retention schedule which lays down the length of time certain record sets need to be retained.
